Print customer name:	Account #:	Exp. Date:
Signature of Cardholder:	Billing zip code (postal code):	3 or 4 digit Security Code #:

Test results and invoices are sent via email as a PDF. Please check here to have results sent via US Mail.

**Instructions:**  
Pull 30-40 mane or tail hairs with roots attached. Place hairs into a plastic zip-lock bag. Only one sample per horse is required to run multiple tests. Label bag with the horse's name and registration number, as indicated on this form. Include payment information for the appropriate amount and send samples to the address at the top of this form. **Fees are non-refundable.**

By submitting this form with your sample you agree that the Sendera Draft Horse Registry (SDHR) and Animal Genetics Inc. will not be held accountable for any incidental or consequential damages of any kind. Furthermore, Animal Genetics Inc. retains full ownership of the sample submitted and may choose to use any sample to conduct further testing. Results are available for paid tests only. For future release, Animal Genetics may run additional tests on the sample submitted that are not requested on this form.
