**IV. FEE SCHEDULE: Fees subject to change. All applications received without payment will not be processed. US Funds Only.**

- Registration requested for horse (25-49% Verified Draft) with one Sendera Draft horse parent (Member \$60; Non-Member \$75)
- \*\* IF conformation is approved and 25-49% Verified Draft, then six (6) panel Genetic testing is required. Based on the conformation, genetic testing results and draft percentage, the horse may or may not be granted Sporthorse registration. Genetic test results must be on file BEFORE being granted breeding approval and registration eligibility of foals. Depending on pedigree or presented color, white pattern tests may also be required. If DNA test results show this horse IS NOT a carrier of any genes deemed undesirable by the SDHR, this horse may be granted Open breeding status. If results show this horse IS a carrier, this horse may be given Conditional breeding status, Showing Only status or denied approval based on those results (see page 2 for clarification).

Please refer to the current Rulebook for any additional requirements or contact the registry.
