IV. FEE SCHEDULE: Fees subject to change. All applications received without payment will not be processed. US Funds Only.

- Registration requested for above horse (20-59% Verified Draft) with one Sendera registered parent (Member \$60; Non-Member \$75)
 - ** IF conformation is approved and 20-59% Verified Draft, then six (6) panel Genetic testing is required. Based on the conformation, genetic testing results and draft percentage, the horse may or may not be granted Sporthorse registration. Genetic test results must be on file BEFORE being granted breeding approval and registration eligibility of foals. Depending on pedigree or presented color, white pattern tests may also be required. If genetic test results show this horse IS NOT a carrier of any genes deemed undesirable by the SDHR, this horse may be granted Open breeding status. If genetic test results show this horse IS a carrier, this horse may be given Conditional breeding status, or Showing Only status based on those results (see page 2 for clarification).

Please refer to the current Rulebook for any additional requirements or contact the registry.
